ONE-STEP NEUTRAL CLEANER

designed to remove embedded soils quickly from hard surfaces without any residue, leaving the surface sparkling clean.

ECO-NU-CLEAN ADVANTAGES

- Biodegrades fats, oils, and greases and performs well under aerobic and anaerobic conditions;
- Requires no rinsing and can be used from a pail or a spray bottle. Specifically formulated for use in automatic scrubbers due to its low foam formula, facilitating quick pick-up and reduced tank changeouts;
- pH buffered to reduce the risk of damaging a floor's protective coating;
- Safe to use on all washable surfaces. Delivers superior cleaning performance, leaving a new summer fresh fragrance behind.
