

ABC 4000™

MULTIPURPOSE MULTISPORE CONCENTRATE LIQUID

FEATURES AND BENEFITS:

- Cleans and digests organic waste materials in a variety of applications
- Improves cleaning capabilities
- Controls odor
- Economical approach to formulating microbial products

PRODUCT DESCRIPTION

ABC 4000™ is a multiple spore blend concentrate liquid ready for use as the base culture in formulating a wide range of biological cleaners. Non-pathogenic bacteria in ABC 4000™ work to solubilize grease, fats, oils, starches, proteins, and cellulose. ABC 4000™ digests these organic waste materials and allows them to be rinsed away. The concentrate can also be used for odor control.

ABC 4000™ is advantageous for compounders because of its multipurpose functionality in numerous end-user formulations. It reduces inventory and shipping costs, providing an economical approach to formulating microbial cleaning, maintenance, and odor control liquid products.

TYPICAL APPLICATIONS

ABC 4000™ can be formulated for use in many different applications:

- Carpet and fabric care
- Grease trap and drain maintenance according to local regulations
- Septic tank and wastewater system waste degradation
- Bathroom and hard surface cleaning
- Odor control

SPECIFICATIONS

Description	Beige to brown free flowing liquid
Stability	Max. loss of 1 log/yr
pH (1% Solution)	7.0-9.0
Bacteria Count	2 billion CFU/g

PACKAGING & STORAGE

Available in 4 x 4 L, 20.37 kg, 208.82 kg, and custom packaging.

Store in a cool, dry location. Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best before date. Contact Bionetix® with questions. Avoid inhalation and eye contact. Avoid excessive skin contact.
