

# ECO-WASH

## EXTERIOR VEHICLE WASH

### SPECIFICATIONS

Description	Blue liquid
Fragrance	None
Packaging	4L, 20L, 205L
pH	9.0
Nutrient Content	Biological cultures, blend of surfactants
Plate Count	75 million/ml
Storage and Handling	DO NOT FREEZE! Store in a cool dry location. Do not inhale mists. Avoid excessive skin contact. See MSDS.

ECO-WASH has been formulated to provide dual action in a one-step cleaning method. Its high penetrating action cuts through oil, grease, soils, and carbon quickly.

### APPLICATION INSTRUCTIONS

For hand applications, dilute with water up to 90:1 and apply to surface with cloth or brush and rinse with water.

For automatic washers, pressure washers, and steam cleaners, dilute with water up to 120:1. Heavy build-up may require a stronger concentration.

For further information on application, contact your BIONETIX technical representative.

The information presented in this Product Sheet is believed to be reliable. This information is provided as representative only and there are no warranties, expressed or implied, regarding its performance. Since neither distributor nor manufacturer has any control over handling, storage, use and application conditions, they are not responsible for any claims, liabilities, damages, costs or expenses of any kind arising out of or in any way connected with the handling, storage or use of the product described.

### A BLEND OF

non-ionic surfactants, emulsifiers, sequestrants, metal deactivators and proprietary biological blend of additives to remove the deposits on the exterior of vehicles.

### ECO-WASH ADVANTAGES

- Highly concentrated liquid detergent for maximum economy and all-weather versatility;
- Dries spotless and film free, restoring lustre to finishes;
- Biodegradable; non-flammable and no VOC's;
- Contains no petroleum distillates;
- Water softening ingredients for high sudsing and superior performance even in hard water;
- Powerful surfactants to wash away tough road grime quickly and effectively;
- Product can be discharged to the sewer system.
