

ECO-DISPOSAL™

FOAMING GARBAGE DISPOSAL CLEANER/FRESHENER

PRODUCT DESCRIPTION

ECO-DISPOSAL™ is a foaming cleaner and freshener that leaves garbage disposals, sinks, and drains clean and fresh while also preventing blockages. In addition to its basic cleaning power, ECO-DISPOSAL™ contains beneficial probiotics that awaken upon contact with water and start digesting organic waste. These probiotics cling to garbage disposal and drain walls for ongoing long-term waste digestion and garbage disposal maintenance benefits. ECO-DISPOSAL™ leaves behind a fresh fragrance and its components are readily biodegradable.

PACKAGING & STORAGE

Available in bulk, water-soluble pouches (200 x 56 g), and custom packaging.

Store in a cool, dry location. Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best before date. Contact Bionetix® with questions. Avoid inhalation and eye contact. Avoid excessive skin contact.

FEATURES AND BENEFITS

- Contains billions of beneficial probiotics per pouch
- Cleans the entire disposal unit
- Leaves behind fresh smell
- Helps to digest organic residue
- Prevents drain clogging

TYPICAL APPLICATIONS

- Commercial and residential garbage disposals
- Septic tanks
