

ABC 9000™

WATER-SOLUBLE POWDER CONCENTRATE

PRODUCT DESCRIPTION

ABC 9000™ is a probiotic powder additive concentrate designed for manufacturers to use in formulating a wide range of products. This multi-spore bacteria blend is water-soluble and comes with a pleasant fragrance. The non-pathogenic bacillus blend in ABC 9000™ is effective in numerous applications where it is necessary to degrade a variety of organic wastes/stains or control and mask odors. ABC 9000™ offers many advantages to compounders because of its multipurpose use as a biological concentrate. In addition to its versatility and natural effectiveness, ABC 9000™ reduces inventory and shipping costs, providing an economical approach to formulating products that contain microbial powders.

PACKAGING AND STORAGE

Available in bulk, water-soluble pouches (200 x 56 g, 400 x 28 g, 40 x 250 g), and custom packaging.

Store in a cool, dry location. Packaging must be kept intact, dry, and away from sunlight. Please follow the recommendations and use the product before the best before date. Contact Bionetix® with questions. Avoid inhalation and eye contact. Avoid excessive skin contact.
