# PUT THE POWER OF NATURE TO WORK TO CLEAN AND DEODORIZE!

While many of us do not enjoy portable sanitation facilities, we are glad they are there when we need them. Bionetix® is here to make that experience more pleasant overall—both for those that use and for those that maintain portable restrooms, septic tanks, and grease traps—by putting the power of nature to work to clean and deodorize!

Bionetix® biologicals are a perfect match for portable sanitation because they contain beneficial microorganisms that digest organic wastes such as greases, oils, undissolved soap residues, paper, and other odor-causing substances. Paired with pleasant fragrances, Bionetix® biologicals not only mask odors but reduce the compounds that cause them. Better yet, Bionetix® biologicals can be adapted into portable toilet treatments, surface cleaners, odor neutralizers, urinal treatments, and more!

## PRODUCTS

### PORTABLE TOILET TREATMENT

Our portable toilet products treat and deodorize portable toilets, holding tanks, and other mobile restroom facilities. Beneficial microorganisms digest organic waste and continue working long after application in the retention tank—and even on into disposal at the wastewater treatment plant. BIO-BOOM™ products leave behind a pleasant, long-lasting fragrance. They are 100% biocide-free and do not contain formaldehyde or other harsh chemicals.

**BIO-BOOM™ P** – Portable toilet treatment powder. Available in Bronze, Silver (self-mixing), and Gold (self-mixing) concentrations for low to high traffic. Fragrances: Bubblegum, Orange, Cherry, and Tutti Frutti.

Packaging:

- Bronze – 28 g pouches (50 or 300 count).
- Silver – 28 g pouches (50 or 300 count).
- Gold – 56 g pouches (25 or 150 count).

SELF-MIXING!

**BIO-BOOM™ P ORIGINAL** – RV holding tank treatment. Fragrances: Bubblegum, Orange, Cherry, and Tutti Frutti. Packaging: 28 g pouches (50 or 300 count).

**BIO-BOOM™ L** – Portable toilet treatment liquid. Available in Bronze, Silver, and Gold concentrations for low to high traffic. Fragrances: Bubblegum, Orange, Cherry, and Tutti Frutti. Packaging: 1 L or 4 L bottles, 20.37 kg pail.

# SURFACE CLEANER

**ECO-CLEAN-ALL™ Super Concentrate** – Biological surface cleaner that keeps working to ensure that cleaning and odor removal continue long after initial product application. Simply dilute, apply, clean, and wipe. Packaging: 1 L or 4 L bottles, 20.37 kg pail.

# ODOR NEUTRALIZER

**ECO-SCENT™ L Super Concentrate** – Odor neutralizer that can be sprayed into the air around and directly onto odorous surfaces as needed. Can also be added to mop water and used on floors, around urinals, etc. Packaging: 1 L or 4 L bottles, 20.37 kg pail.

# URINAL TREATMENT

**URINAL BLOCKS™** – Water-soluble blocks that contain a unique formula to clean away scaling problems, cure odors, prevent blockages, and digest organic waste in urinals. Screens included. Colors: Blue or green. Packaging: 100 g blocks (12 count).

# GREASE TRAP TREATMENT

Our grease trap treatments contain specialty additives to reduce oil and fat accumulation and speed up their biodegradation, thus preventing emergency blockages and reducing BOD and bad odors. Products can be applied directly to grease traps or added through kitchen sinks and floor drains.

**ECO-TRAP™ L** – Liquid grease trap treatment. Packaging: 1 L or 4 L bottles, 20.37 kg pail.

**ECO-TRAP™ P** – Grease trap treatment powder. Packaging: 28 g pouches (400 count).

**ECO-TRAP™ BLOC** – Grease trap treatment in slow-release block form. Packaging: 2 pound blocks (4/case) and 5 pound blocks (2/case). Each block is packaged in a mesh application bag.

# SEPTIC TANK TREATMENT

Our septic tank treatments contain diverse microbiology designed to activate digestion of solid waste, reduce sludge buildup and pumping frequency, improve pipe purification and drain seeping, and prevent pipe and drain blockage.

**ECO-SEPT™ P** – Septic tank treatment powder. Color: Pink or blue. Packaging: 28 g pouches (12 or 400 count).

**FIZZY-TAB™** – Septic tank treatment tablets. Packaging: 5 g and 22 g tablets (12 count).
